Have just spent our third time in one of Penny and Martins Chalets. We thought we would try a different one this year and yet again cannot fault anything. From the moment of booking to handing the keys back the service was friendly and excellent. The standard of the chalet was superb from the comfy beds to the refreshing shower plus the little extras which make you feel at home. Cannot wait for our next visit :-) Tracy and Brad Ross

The Bailey's 2013.9.15 14:35

We booked two chalets,for week commencing 24th of August .Having stayed in hemsby for the last 5 years i can honestly say Happy days chalets were the best . Both Chalets were decorated with a modern feel and the day to day equipment in the kitchen was far superior than what i had experienced in the past. Martin was very friendly and willing to go the extra mile to make our stay with him pleasurable including finding a local fishing trip for us.

Many Thanks to Martin and Penny and i will be recomending to my friends.

kerry & alan pointon 2013.9.12 10:27

I stayed here long term and felt very comfortable and secure.

Both Martin and Penny made me feel at home and were very helpful and friendly.

The accommodation is spacious, clean, has lots of storage space and is very high spec. I once needed a replacement piece of equipment in the chalet and Martin produced it literally in minutes.

Thankyou Martin and Penny, It was great staying in one of your chalets,

We've been to one of Martin & Penny's chalets last week and it more then exceeded our expectations. It was lovely and clean, tidy and there was nothing missing. Martin and Penny even organised everything our little girl could need i e highchair, changing mat etc. We could not have asked for better accomodation or nicer people to rent it from. It completed a lovely holiday and beautiful beautiful Norfolk. We will definitely return. Thank you so much.

Hi

Just got home from another brillerent holiday at Hemsby. Martin and Penny are so welcoming and makes you feel so at home and nothing is to hard to sort out if there is a problem. The charlets are like home from home, large tv,freesat,dvd player, bath, shower, proper beds, electric blankets if you are cold, washing machine in one, fridge freezer in another. Everthing is clean and tidy and you get a welcome pack of tea, coffee, milk and biscuits. The price is reasonable to, aswell as the comfort. Once been I will garentee you will keep going back as this is my 2nd time at the park I have been to Hemsby 5 times I have to say Martins are the best and you wont find anything better.

The chalets are well equipped, beds were comfortable and in a good location for all amenities. We stayed in chalet 178 which was right at the front of the site, it was a lovely size, well decorated and no noise at all at night.

We visited the Florida on site club which has cheap drinks and provide a good service.

We would have no hesitation in reccommending Happy Days at Hemsby! :)

Thank you

Hi

Just to say thank you for the holiday we spent in the chalet on Sundowner in September. You very kindly donated it as a prize for MacIntyre and we were the lucky recipients. The chalet was clean, comfortable, well equipped and provided an excellent base for local amenities and touring Norfolk. On our arrival we were greeted with a cheery smile and made to feel very welcome. The site itself was well looked after and equipped with all we needed for the week. We would happily recommend the chalet to our friends. Thanks

Kath and Rod

Chalet 90, 25th August to 1st September 2012.

Thanks Penny & Martin, we had a fantastic holiday, wonderful weather, fantastic beach, fantastic chalet!!! What more can I say?? Except thanks for a warm welcome, it was lovely to meet both yourself and Penny. The chalet was perfect, decorated to a high standard (even a flatscreen TV which impressed my boys!) and had everything we needed for a great holiday! The site is ideal, quiet yet with a club for those who want that (never heard any noise from it though even though it was only round the corner from our chalet) and only a few minutes walk to the attractions & beach or village shops. We will certainly be back next year (bookings allowing!) and I wouldn't want to stay anywhere else! I can certainly recommend 'Happydays'! Thanks again and hope to see you in 2013!

Cindy Brewster 2012.9.5 09:05

Our stay - 18th - 25th August 2012 (Cindy, Gill and Kelly).

We've been visiting Hemsby now for around 30 years (since I was a kid!), but we really found this year to be special because of the warm welcome we received from Martin (feel like we've known him forever) and the 'can do, will do' attitude he has ensuring he looks after his clients. That 'personal' touch made all the difference to us.

The chalet was lovely and clean, it had everything we needed in order to have a comfortable and safe base for our holiday, especially as we are a family of three girls, Martin ensured we knew where to go and who to contact if we needed support in any way. Thanks Martin - we really appreciated that.

We were lucky because the weather was wonderful, the beach was beautiful and clean and Hemsby itself was lovely and clean with the people being friendly and welcoming. We had days out to Great Yarmouth, Gorleston, Lowestoft and explored little quaint villages (the names I cannot remember) but there's plenty to do and explore for all ages and abilities.

It was a shame we didn't get to meet Penny, but hopefully next year - we'll definitely come again.

Thanks again Martin - you're a little gem (and gorgeous with it!) xxx

Sonia carty 2012.9.4 16:44

Happydays chalets are everything they say they are and more, they have all the extra personal touches to make your stay as comfortable as possible that is lacking in many of the larger holiday parks we have stayed in on previous holidays. Martin is always available and goes out of his way to

ensure that he meets any requirements you may have to ensure you have a brill holiday,would definitely recommend Happydays.xxxx Julie,John and Boys x

The Chalet was lovely and clean and modern and contained everything you needed, including all the comforts of home. If it wasn't there, then Martin would get it for you, ensuring you of a totally stress free holiday. The site was lovely and quiet and just a 5 minute walk to the beach. Just got back from a fantastic week in Hemsby, I really did not want to leave, we stayed at 301 Belle aire (chalet no 5 on the list) The chalet was gorgeous and was a real home from home with all the comforts and added extras that u could possibly need and if they aren't there u just simply ask Martin and he will do his best to help u. I seen a lot of chalets walking round the park and this one has got to be up there as one of the most modern and up to date. Really great place to be based as you are just a short walk away from the main beach road where everything is. LOVED ITTT!! will defo b back again!

Dawn wilson 2012.7.22 14:27

The wilson family, 13-16th july.

From first contact with Martin @happy days we knew we were going to have an excellent holiday.

The service was absolutley amazing before we set off.

When we got to Hemsby we were asked to contact martin 10 mins before arrival so he could make sure we were happy with the service and our chalet which was beautiful.

Martin gave us tea, coffee, milk, biscuits and hot chocolate for the kids which made all the difference. He even made our beds for us explaining " you don't go on holiday to make beds "

On Sunday we wanted to go for a carvery with our family but Martin said it would be packed so he rang and made us a reservation at the Lacon.

We couldn't believe how safe and comfortable someone could make us feel, we will definitely use happy days again and advise anyone who is planning to go to Hemsby the same. A whole hearted thank you goes to Martin and all the staff at happy days @ hemsby xxxxxx

Dear Martin and Penny

We would like to thank you for making our week in Hemsby a great one. From booking to arrival you were on hand and we appreciate the service you give. The chalet on the Florida site 178 was perfect, for cleanliness, comfort of bedrooms, and lounge area, the bathroom with jacuzzi bath and a shower. The kitchen was great for utensils and appliances, especially having a washing machine, made life so easy with a little one with us. We have to say that the chalet was like being home from home, and that its the best self catering accomodation we have ever stayed in, in the UK. Martin and

Penny you give great customer service, fantastic chalet 20/10 thanks for everything and hope to be booking soon for next year.

I have stayed in various holiday chalets over the last 15 years but Happy Days At Hemsby have surpassed them all with their extremely high quality chalets and attention to detail. Facilities in the chalet are like home from home with everything you could hope for including a double walk in shower in 151 that is to die for. Beds are already made up when you get there and Martin or Penny are there to greet you and answer any questions you have. I will be back and will never stay with anyone else only Happy Days At Hemsby - try them.

Have just returned from a last minute weekend break staying at 301 Belle Air. Both Penny and Martin were very helpful and friendly. The chalet itself is of very high quality, very clean and modern. We couldn't have asked for anything better and will definitely be giving Penny and Martin a call to book next time we are going to stay in Hemby.

Just a note to say a big thank you to Penny and Martin, we had a wonderful time in Chalet 301. Martin greeted us when we got there and was on hand if we had any problems. Chalet was so clean and tidy, with all the mod cons anyone could wish for. Beautiful beach only 5 mins walk. We will definitely be regular customers and would recommend anyone wishing to take a break to go.

We have just returned back home after a long Easter Weekend at Hemsby . We would like to say a BIG THANKS to Penny and Martin for making us very welcome. The chalet was very comfortable and Nicely decorated to a very high standard. We found the chalet to be nice and spacious and a lot of room in the bedrooms and the Lounge. Martin was close by to help out if needed or if you had any questions.

Dont book any other chalet company untill you have spoken to Martin and Penny first. We will definatly come back again in the future. Thanks again.... from John & Karen & Becky (Dale and Sharon Murray's Friends)

Dale murray 2012.4.11 21:53

Hi

Would just like to thank Martin and Penny for our long weekend break at easter.

The chalet (151) was just perfect, very modern and all you would need is there eg. DVDs, games for kids.

The kitchen is very clean and modern, as are the bedrooms with nice decor and great beds(didn't need to bring any linen)

The bathroom would put all 3\* hotels and some 4\* hotels to shame, the shower is just fantastic. I have stopped in plenty of chalets, guest houses, hotels (including a 5\*) and this is how it should be done, good price, perfect service and you wanting to come back.

The service I got of Martin was first class, I needed to ring about a fault with hot water, 10 minutes later Martin turned up and 5 minutes later HOT WATER.

Thanks again Dale, Sharon, Megan and Sam

Arthur & Georgie 2012.4.9 07:46

Hi Penny and Martin.

We had an amazing time at Hemsby. The chalets were spotless and good value for money as its like staying in another house but just on a smaller scale. The location is perfect as its located 5 minutes away from the seafront and a 20 minute drive to Yarmouth. Martin and Penny provided great customer service and were always a phone call if we needed them. We were impressed with the clubhouse as there are different owners there now and the clubhouse has a different look to it now also there is now food being served at great prices.

Looking forward to seeing you again soon!

Robinson Family (August 2011)

We had a lovely time in Hemsby. The chalets were to a very high standard, clean and modern, with everything that we could have needed including beach chairs and a wind break!

Penny and Martin couldn't do enough to make sure we had a great time, this included coming to the site with torches and candles when there was a massive power cut in the area.

Thanks again and we hope to see you again soon!

We will definitely be coming back next year or even sooner!! x

Andy, Louise, Jordan and Kiera 2011.8.14 12:12

Just had a brilliant week in one of the best chalets we have ever stayed in. Clean, comfortable and modern, everything you need. Martin and Penny are two of the nicest, and most helpful people you could wish to meet. If there is anything that you need, or want to know, Martin and Penny are just a phone call away, and are genuinely happy to help. They are, without doubt, the best chalets in the area; the best of the best. So much so, we have already booked for two weeks next year. Book elsewhere at your peril!!

Thanks Martin and Penny for everything, cheers Andy (Chalet 151 - A second home)

Matt, Sumpti, Pete & Carmel 2011.8.8 10:19

Stayed in chalets 148 & 154, deliberately chosen for the facilities they offered. Chalets are fab, with all mod cons, kind of a home from home feeling.

Nothing is too much bother for either Martin or Pen, they booked us some swimming passes for the local pool before we arrived, and a local takeaway (with out delivery service) offered us delivery when we mentioned Martin & Happy Days, happy days indeed!

Thanks to you all for a lovely break

Matt, Sumpti, Pete & Carm

Hi Penny & Martin (again),

Thanks for a wonderful week. All you need for a week of peace and quiet.

I was in chalet 148 (this time), talk about home from home, all you could ask for and more.

If you need anything or need help of any sort, just call Penny or Martin and they will help you out.

It was great to know that because I was on my own, they called on me to check I was ok. Where else do you get service like that. Thank you once again.

See you soon, Denise.

If you want a home from home holiday I suggest you use Happy Days at Hemsby. My daughter and I have just spent a fabulour week there so much so that we are going again in August this year. The owners are so friendly and nothing is too much trouble for them - the chalets are just so luxurious you wouldn't mind living in them all year round.. Hemsby is very near to Greast Yarmouth, Lowestoft and Norwich so if you want a great holiday I suggest you book with Happy Days at Hemsby.

Thank you so much for an enjoyable holiday and can't wait til August.

Hi Penny and Martin

Thank you for letting us use one of your chalets. We had a fab time the chalet was amazing was a home from home. It was great to not have to think about packing irons etc.also the decor and cleanliness was top noch

The location of the chalet was brillant epecially with Ben he loved thethe short trip to the beach and especially enjoyed the club house and all the attractions which are all a stones throw away.
